

Keeping Your Flocks Healthy

Do you keep sheep or goats?

Learn how to keep your sheep and goats healthy

Keeping Your Flocks Healthy is a free course intended for owners of small flocks of sheep or herds of goats who wish to learn more about sheep and goat disease and ways to prevent them. These sessions will focus on basic nutrition, biosecurity, and disease and parasite management related to small flock sheep and goat production

Saturday February 18, 2017

8:30 AM—4:30 PM
