

Keeping Your Flocks Healthy

Do you keep sheep or goats?

Learn how to keep your sheep and goats healthy

Keeping Your Flocks Healthy is a free course intended for owners of small flocks of sheep or herds of goats who wish to learn more about sheep and goat disease and ways to prevent them. These sessions will focus on basic nutrition, biosecurity, and disease and parasite management related to small flock sheep and goat production

Saturday March 4th, 2017

9:30 AM—4:30 PM

The Eagles Hall
921 First Ave
Ladysmith, BC

A \$10 per person good faith deposit is required to hold your seat. Everyone showing up will have their deposit returned to them on arrival. The deposits from "no shows" will be donated to a charity to be determined by the organizing group. Seats are limited so plan to book early! Preregistration is required via calling: Penny Stapleton 250-713-1984 cell Leave name and number if no answer. Additional info can also be requested via email to hollyhill-farm@telus.net
